

MGU RUSSIAN will represent Russia at the international exhibition of languages and cultures Expolingua Berlin 2018

Moscow, November 2018. MGU RUSSIAN language Centre will present educational programs in the framework of the annual international exhibition Expolingua Berlin. The exhibition will be held on **November 16-17, 2018.**

Since its Foundation in 1991, the MGU RUSSIAN language Centre has helped thousands of foreigners to master the Russian language. More than ten thousand of specialists in the field of teaching Russian as a foreign language received diplomas and successfully work around the world. Our center is known in many countries as one of the leaders in the field of Russian language teaching.

Classes are held in the historic building in the center of Moscow, near the Kremlin. The lessons are taught by the best teachers of the leading Universities of Russia. MGU RUSSIAN has state accreditation.

For 30 years we have been developing our unique Russian language programs for international students from all over the world. We offer full-time and online programs for those who want to live and work in Russia, travel around our country, teach Russian to foreigners or just interested in Russian culture. We organize visa support, accommodation and cultural program for our students.

At Expolingua Berlin we are waiting for lovers of Russian language and culture from Germany and other countries to present the leading developments in the field of Russian language learning and teaching of the Russian language.
